A Spray of Spirea Prunifolia

ELMWOOD NURSERIES

MIDLOTHIAN, VIRGINIA

J. B. WATKINS & BROTHER, Proprietors

Fall 1919, Spring 1920

The stock we offer is our own growing and can be dug and shipped promptly. It is all nursery grown and once or more transplanted.

Purchasers are requested to state the mode of conveyance by which they desire their trees forwarded. When no route is named we ship to the best of our judgment, without liability for error or delay.

RESPONSIBILITY—After goods are placed on board cars here we assume no responsibility for their safe or prompt delivery. All claims for delay or injury in transit must be made against transportation companies over whom we have no control. All claims against us must be made promptly on receipt of goods.

TERMS CASH—On or before delivery to Express or Railroad agents unless by special arrangement.

One up to five will be charged at single rate, five and up to fifty at ten rate; over fifty at 100 rate; 500 and over at thousand rate. Packing charged extra, but only sufficient to cover cost of time and material consumed.

HOW TO REMIT—By check, draft, registered letter, or money order on Midlothian, Va.

Shipments are made by express or freight from Midlothian, Va., Southern Railway, thirteen miles south of Richmond.

Quotations are made subject to stock being unsold when order is received. All orders will have prompt and careful attention. We usually begin shipping about the 20th of October, and can ship any time thereafter when the weather is not freezing.

Sizes are given in most instances in height and calipers; sometimes trees are under height but have the proper caliper in which the caliper measure will govern.

We ship in carloads from Dodamead Siding, Southern Railroad, which is one mile from our packing houses.

Guarantee of Genuineness

We exercise the greatest care to keep our varieties pure and true to name, and hold ourselves in readiness to replace, on proper proof, all stock that may be otherwise, or reship stock that is true to name, but it is mutually and positively agreed between the purchasers and ourselves that we shall at no time be held liable for any amount greater than the original price paid for the goods.

Midlothian is express office, freight depot, money order office, telegraph office and telephone exchange. Visitors are always welcome.

CERTIFICATE OF INSPECTION—Our Nurseries are regularly inspected by the State Entomologist or his agent, and certificate of freedom from diseases will accompany each shipment printed upon shipping tag.

Ornamental Shade Trees
